Membership

The focus of membership is to attract new members and to retain our present members. And also to be club ambassadors to acknowledge members’ various life events. This is a very fun yet very important committee.

Are you familiar with different social media platforms like Facebook, Instagram and TiKTok ? This committee comes up with ideas, photos and stories to share what Rotary is doing in our community and internationally.

Youth Services

Youth protection

Rotary is committed to fostering environments that are safe and positive for young people who participate in Rotary activities. This committee ensures that all members have up to date police checks and that other Rotary child protection criteria are met and followed.

Bottle Drop and Recycling

This is our club's main fundraiser. There is something for everyone to do to help out and participate. Some of the tasks involve heavy lifting however there are other very necessary jobs such as directing cars, counting cars, public relations such as greeting customers while their car is emptied of their bottle contributions, organizing weekly staffing on an Xcel spread sheet, Supply inventory control and making the very important runs to Timmy's to get coffee, hot chocolate and tim bits or in the summer to Dairy Queen for ice cream treats.

Special projects

Other ways in which we help our community. We can be seen helping and participating at the Coldest night, Salvation Army Kettle bell ringing, North Island Wildlife Recovery Centre, removing trash from Little mountain, and for cleaning up various areas around town for Earth day.
