Filming GrandDad on his 8th build ... Video To Come

A group of people are working on a rooftop at sunset. The sun is low on the horizon, creating a bright glow and silhouetting the workers. One person is standing on the edge of the roof, looking out. Other people are visible in the foreground and middle ground, some holding tools or materials. The sky is a mix of blue and orange, with wispy clouds. The overall scene is one of hard labor during a beautiful time of day.

Until Next Year ...
